THE FIRE DEPARTMENT ISSUES CHRISTMAS WARNING

The warning, or plea, rather, of the Paris Fire Department, asking parents not to leave children alone with Christmas trees on which candles are burning has been issued as the years go by. Reports show that these yearly warnings, coupled with the almost general use of the electric light, are reducing the number of fires caused by negligence. Nevertheless candles will be used in many Paris homes this Christmas, and the fact that a Christmas tree is decorated bespeaks the presence of children. And it is a well-known fact that fire has an attraction for them.

Fire Chief McCracken agrees with the State Fire Prevention Bureau that the warning cannot be too much. During the holidays the fire department will keep a sharper watch than usual, realizing the added danger from fireworks, Christmas trees, etc. Past events have proved that children cannot be too closely watched around Christmas time, when they are in a state of excitement. In nine homes out of ten the Christmas tree is in the parlor near a lace curtain. It requires only a small blaze to ignite the curtain, and with it fire, and possibly a tragedy.

Fire Chief McCracken asks the people of Paris to use extra care about their stores and premises during the holidays. A little spark in an unguarded moment may cause an enormous property loss and possibly loss of life.

A GARLAND HEATER IS JUST THE TRICK

Why worry about what to buy for a Christmas gift. You need a gas stove any way. Buy one for mother's Christmas gift. The whole family will enjoy and get the benefit of it, too. When it comes to stoves a Garland settles the argument. We have a large stock of all sizes.

EDITORIAL FLINGS OF THIS THAT EN TOTHER

A Kentucky preacher says that women are taking up the vices the men are discarding. Well, they ought to get to Heaven with little trouble if they adopt none but those discarded by the men.

There are some Paris people who rejoice every time they see a Christmas tree, and there are others who take to lamenting the robbing of the forests. Tell us which kind you are, and we'll fill out the details.

Some scientists say low mentality is the cause of both crime and vice. When a fellow wins \$100 from you at poker you feel that it is a crime, yet you don't believe he collected that \$100 because of his low mentality.

A Paris housekeeper, whose peace of mind has been disturbed by the frequent comings and goings of cooks, gave vent Sunday to this plaint: "When cooking can be done by wireless maybe the S. O. S. of the distressed housekeeper will get a response from a class disinclined personally to superintend the range."

Senator Beckham has congratulated Senator-elect Ernst, grudgingly, and a little late in the day, perhaps, but still sufficient for the purpose. But why should there be much comment over that? Many unkind things have been said and written about Beckham, but nobody calls him a fool.

There is nothing in the world so useless that it does not require some attention at some time. Even a wrist watch has to be wound up at intervals. But this does not apply to those people who read out loud the titles on the movie screen. They do not need to be wound up, they are always that way. Isn't it a pity they cannot realize what an insufferable nuisance they are?

PARIS PROSPERITY POETRY

Boost your city, boost your friend,
Boost the lodge that you attend;
Boost the street on which you're dwelling.
Boost the goods that you are selling;
Boost the people 'round about you,
They can get along without you;
But success will quickly find them:
If they know that you're behind them.
Boost for every forward movement,
Boost for every improvement;
Boost the man for whom you labor,
Boost the manager and the neighbor;
Cease to be a chronic kicker;
Cease to be a progress blocker;
If you'd make our city better,
Boost it to the final letter!

PAY TEACHERS PROMPTLY, COLVIN WRITES BOARDS

"Every board of education in Kentucky has financial resources and credit enabling it to pay its teachers promptly, and every board should do its full duty in this matter," is the sum and substance of a letter mailed to county boards of education by Superintendent of Public Instruction George Colvin.

Superintendent Colvin has received information that some of the county school superintendents have not been paying the teachers promptly. The teacher's pay at best, he says, is so meager that there should not be any unnecessary delay or indifference in paying them promptly, and declares that when necessary the board should borrow money to pay the teachers promptly.

PARIS TESTIMONY

Home Proof, Here, There and Everywhere

When you see Doan's Kidney Pills recommended in this paper you most always find the recommender a Paris resident. It's the same everywhere—in 3,800 towns in the U. S. Fifty thousand people publicly thank Doan's. What other kidney remedy can give this proof of merit, honesty and truth? Home testimony must be true or it could not be published here. Read this Paris recommendation. Then insist on having Doan's. You will know what you are getting. O. T. Sprake, contractor and carpenter, 304 Main street, says: "I have been a sufferer from kidney trouble for many years, but Doan's Kidney Pills is the best medicine I have ever been able to find. They always give me fine relief and I can't recommend them too highly. I have been in bad shape at times and backache caused me to lay off work for several days. I was greatly annoyed by the frequent passage of the kidney secretions which contained a sandy sediment. Whenever I have any need for such medicine I use Doan's Kidney Pills and it doesn't take them long to fix me up in good shape."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Sprake had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (adv)

L. & N. RETRENCHING.

A large number of trackmen, including several in Paris, as well as several in other departments in the local service, have been laid off temporarily on this division of the Louisville and Nashville. On some sections the force has been reduced a small number. The action was taken because of the annual appropriation for workmen's pay having been exhausted. The men will likely be restored to their positions in a short time after the next year opens.

At twelve years of age Tenhyson had produced an epic of 6,000 lines and at fourteen a drama in blank verse.
